CHIEF SECRETARY'S OFFICE.

REVENUE BRANCH.

OFFICE NOTE.

SUBJECT. Levy of contribution for Tyagali Anicut and Channel in the Kadur District.

LAST REFERENCE. Letter No. 2212, dated 13-5-95 from the Chief Engineer, Mysore.

Vide paper No. 1.

In accordance with Government order No 1382-90 dated 1st October 1888, laying down the principle on which contribution had to be levied from landowners to be benefited by Govt irrigation works costing Rs 25,000 and upwards, the Deputy Commissioner, Kadur District, along with other Deputy Commi was requested to report the steps taken by him for the collection of contribution on the above work, as the cost of which amounted to above Rs 25,000.

Vide No $\frac{2256}{R\ 203\ 93}$ of 7-7-93 (P 1)

2. The Deputy Commissioner replied that 260½ acres of dry land might be brought under wet cultivation, & proposed a levy of contribution at Rs 7-8-0 per acre, being 1/4 of the difference of Rs 20 & 50 of prices for dry & wet lands, which comes to Rs 1953-12-0. He again brought to notice that the ~~prices of Rs 20 & 30 per acre for dry & wet had been increased to Rs 50 by that the Amildar, showing an excess of Rs 30 per acre, but that he was not in favor of the increased rate~~ value of the land below the channel had risen from Rs. 20 to Rs. 50 per acre, and submitted that he found no reason to alter the rate first suggested by him. He further added that the Ryots offered to pay at Rs 4 per acre & pleaded their

2

inability, to pay more, and Executed a muchalka to the effect. The Deputy Commissioner ~~was~~ thought ~~of~~ ~~opinion~~ that the rate Rs 1/8 to 4 per acre was not consonant with the principle contained in Government Order of 1885. and ~~that~~ he ~~therefore~~ solicited orders ~~were solicited~~ as to whether Coercive measures could be adopted for the recovery of Rs 7-8-0 from the ryots concerned. In connection with this, the Revenue Councillor directed that the whole file of correspondence should be submitted to him. The Chief Engineer, who was thereupon requested, forwards a

Submitted for orders

Letter No 2212 dated 13th May 1895, from the Chief Engineer to the Government, forwarding file of papers connected with the Iyegati Anicut & Channel in the Kadur District, as required by this office -

The Paper requiring orders is Kadur Dy Comrs No: 486 dated 9th February 1895 (Paper No: 4 in the open file below).

Please see last order of 28.4.95 on the slip at the top of this file.

Submitted for orders
27/5/95

The anicut breached only in Novr 1883 - and the first estimate was much under 25000 Rs. Moreover a tank also was a part of the project - Under the circs of this case it does not seem to me to be necessary to levy the maximum contribution on the principles laid down in the order of 1888 - Ryots have agreed and given a Mochalika to pay 4 ~~Rs~~ an acre - I am inclined to accept this rate and forego the balance - The amount thus given up will not be more than a few hundreds of Rupees as the total sum anticipated by the Dep.y Comr at 7-8-0 is only 1953-12-0.

Sir,

With reference to your docket No. 12250 / K 145-8-93, dated 14th January last and subsequent reminders, I have the honor to state that only 250½ acres of dry land may be brought under wet cultivation below the Yagati Channel and tank. The Amildar has failed to estimate the value of dry and wet lands below the Channel

For the Report [illegible] [illegible] [illegible]

HM 17/9/93

and tank, but from what I have personally seen I think they may be estimated at Rs. 20 for dry, and Rs. 50 for wet as they are of much the same value as those at Yellambalsi, and I propose to levy ¼ th of the difference, per acre namely - Rs. 7-8-0 which on 200½ acres will amount to Rs. 953-12-0.

I have the honor to be

Sir

Your most obedient servant

Deputy Commissioner
Kadur District.
